SONYA GROUP
SINCE 1960

50+ GLORIOUS YEARS

Sonya Group has been manufacturing and marketing their products for more than 5 decades around the Globe. Our motto is to provide quality products at an affordable rate. We possess ISO 22000:2005, BRC and HALAL certifications. We are registered with USFDA, APEDA and IOPEPC.

Our fully automatic stainless steel plant is located in peanut growing state of India - Gujarat. Our process includes roasting, sorting, grinding, blending, filling and packing. These all processes are performed under controlled conditions to meet the customer requirements in terms of texture and taste.

We focus on strict adherence of our defined Good Manufacturing Practices (GMP) and Good Hygiene Practices (GHP) and thus aim for continual improvement in Food Safety Management System.

Our laboratory is equipped with the latest technology and equipments for in house testing which takes care of quality checks in three stages 1) Checks for incoming material 2) In Process Checks and 3) Checks before dispatch. Finally, we believe in building relations "Coming together is a Beginning, Keeping together is Progress and working together is Success".

CREAMY PEANUT BUTTER

An ultra smooth texture made out of fresh roasted peanuts

Our Creamy Peanut Butter is made from the finest roasted peanuts. Peanut Butter is a rich and an inexpensive source of protein supplement. Our peanut butter is produced by roasting, blanching, sorting, grinding and mixing peanut & various ingredients. As a result we get an ultra smooth textured creamy peanut butter.

PEANUT PASTE

A natural peanut paste without any additives

Our Peanut Paste is made from roasted peanuts without adding any additives. It is a natural paste which can be used as an ingredient for preparing various food items.

CRUNCHY PEANUT BUTTER

Crunches of Peanuts are blended with our ultra smooth creamy peanut butter

Sonya Peanut Butter is a power pack energy food. Pieces of peanuts have been added for the extra crunch. Crunchy Peanut butter is also used as a spread for breads and crackers. It is also used as a dip for fresh fruit and as a filling in cookies and pastries.

CHOCOLATE PEANUT BUTTER

Delicious chocolate is blended with our ultra smooth creamy peanut butter

Our chocolate flavour, an all time favourite of everyone is added to our peanut butter which is more healthier than the other chocolate spreads. It tastes great with waffles, cupcakes, sandwiches, smoothies, etc.

BLANCHED / SPLIT PEANUTS

A natural rich source of protein

Our blanched / split peanuts are best quality peanuts which can be further used as ingredient to manufacture other processed foods. Various tangy flavours like Salted, Curry, Hickory Smoke, Barbeque, Salt & Vinegar, Chicken, Garlic, Parmesan, etc can be further processed from our peanuts by flavoured peanut manufacturers.
